Pursuant to the Income Tax Act (Act No.: 25/2019), companies are required to deduct 10% Withholding Tax from any dividends paid to "Non-Resident" Shareholders. Further to the requirements of the Income Tax Act, dividends paid to Shareholders will be subject to deduction of Non-Resident Withholding Tax of 10% in the event that a Shareholder has not declared his/her residency status. Additionally, the Income Tax Act states that, during the time of dividend payment, if a company is unable to determine whether the Shareholder receiving the dividend is a resident in the Maldives, it shall be deemed that the Shareholder is not a resident in the Maldives, and thus Non-Resident Withholding Tax of 10% shall be deducted from the dividend payment made to such Shareholders.
