## **ANNOUNCEMENT**

## **Dhiraagu acquires loan from Mauritius Commercial Bank**

Dhiraagu's Board of Directors has recently approved the acquisition of an import loan facility amounting to USD 1.5 million from the Mauritius Commercial Bank (MCB). The primary objective of securing this facility is to strengthen our forex working capital and address the challenges related to obtaining foreign currency.

As a company that holds the backbone of the country's telecommunication and digital infrastructure, we recognise the importance of stable and sufficient forex working capital to ensure seamless business continuity. Dhiraagu remains committed to enriching lives through digital services and empowering our communities, bringing them closer towards a 'Digital Raajje.'
