Delay in Publication of Annual Report 2025

We wish to inform our shareholders and the general public that the publication of our Annual Report for the financial year ended 31 December 2025 has been delayed beyond 30 April 2026, as previously anticipated.

This is due to the ongoing audit and finalization process being carried out by our external auditors.

We have sought an extension from the Capital Market Development Authority (CMDA) to complete this process. Subject to the completion of the audit and the necessary approvals, we expect to publish the Annual Report 2025 on or before 15 May 2026.

As of the date of this notice, we do not anticipate any impact on the scheduling of the Annual General Meeting (AGM), which is expected to be held on or before 30 May 2026.

We remain committed to ensuring the accuracy, completeness, and integrity of our financial reporting.

We apologize for any inconvenience caused and sincerely appreciate the continued understanding and support of our shareholders.

30th April 2026
